Mark Harrison Esq.,

Dear Mark,

I hope that you and your guests enjoyed the Burns' Night Charity Ball on Saturday night.

Thank you very much for being one of our platinum sponsors and for your generosity. I am very pleased to tell you that we raised almost € 64,000 for *Save the Children* which will really help their project to take disabled children out of institutions here in Serbia and place them in caring foster homes. Their quality of life will improve enormously if we can encourage more local families to volunteer to care for such children.

On behalf of *Save the Children, Serbia*, thank you once again. Thank you also to you and Tamara for all your help in making the arrangements. Plus, a special thank you to Danijela who remained her usual calm, efficient, indefatigable self throughout. I have written to her separately.

Yours sincerely,

Nichole Wordsworth
